

Enrollment/payment procedure for the Bozenka Training Weekend and Workshop:

On Thursday 12:00 (local time Berlin - CEST) the enrollment form will become available. Starting that time you can reserve your spot for the Training Weekend and/or Workshop by taking the following steps:

- Go to the enrollment page at www.khalidadance.com/bozenka
- Optional: Hit refresh (F5) if you are already on the enrollment page and the form is not visible yet
- Scroll like the wind to the bottom of the page :)
- Fill out the form
- Hit 'Send'
- Do a little dance

After you've successfully sent the enrollment email you will receive an automated overview of the information you sent (please check your spam filter if you do not receive it)

PS: If anything happens to the enrollment page/your internet connection while you are sending the form just send it again - I will disregard any 'double enrollments' and not make you pay twice ;)

PSPS: It is possible to have someone else do the enrollment for you if you are not available on Thursday yourself - In that case instruct them which information to fill out in the form (see the Test enrollment form at www.khalidadance.com/test to get an idea of what will be asked)

If enrollments go extremely fast I will be on stand-by this Thursday to let you know by email whether you were among the first 20 to enroll or not - if not you will be notified and automatically added to our waiting list unless you wish not to be added.

The official enrollment confirmation emails (including the payment information for your initial (or full) payment) will be sent to you by email during the weekend to optimize the enrollment process.

After you've received the official enrollment email (with payment info) you will have a specified amount of days/weeks (I will let you know in the confirmation email how many) to do the payment

As soon as your payment is received (this can take a few days for international bank transfers - please take this into account) your spot will be officially secured for you.

Important: Please note that there can be no refunds for this event. In emergency we may allow you to transfer your enrollment to someone else who is willing to take your place (IF there is such a person available). In case the event is cancelled for any reason you will be reimbursed in full.

If you fail to do the initial/full payment before the specified date your enrollment will be cancelled automatically, and your spot will go to the next person in the waiting list or the next person that enrolls.

If you've opted for the payment plan you will receive an extra email at a later time to remind you of the payment date of the remaining amount (which will be somewhere in 2016)

Alright, that's it! If you have any other questions please let me know.

xx K.
